K6 and place these sts on a holder.

You will be dropping the 5th st. in each group of K5 or P5 as follows: *Bind off 3 sts. Drop first stitch on left needle and let it run to the bottom, including the cast on. Elongate the stitch on the right needle to "bridge the gap" made by the dropped stitch. Knit the next stitch on the left needle (do not tighten yarn across the gap). Bind off the elongated stitch on the right needle*.

Repeat from * to * to end of the row to last 6 sts.

Remove the last 6 sts from needle and gently unravel two rows at a time. Tie each loop into an overhand knot as close as possible to knit edge. Continue unraveling. Repeat for the 6 sts on the holder. Keep the loops for fringe or cut open.
