*Note: You are always starting the next row with the opposite stitch to what you see. (Knit the Purls and Purl the Knits)*

## Fringe

Cut 76 pieces of yarn each 54" in length.

Place shawl on a flat surface with the binded edge facing you.

Place crochet hook down into the binded row on the outside edge.

Take 2 strands of yarn and line up the 4 cut ends together. Fold these in half to find the middle.

Hook these 8 pieces of yarn to the crochet hook and pull them up through the binded edge of the shawl approximately 1-2" to form a loop. Insert end through the loop and pull to tighten.

Cut the 2 loops at the ends for a total of 8 separate strands. Knot tassels over on its self near bound edge to secure. Count over 3 stitches and repeat for next tassels across edge. 19 tassels per edge.
