About:
This openwork shrug is a beginner level project that will have you thinking of summer sunshine as you plan for your next trip to the shore. It’s perfect to throw on with a swimsuit or tank top in our bright Florafil yarns or an evening dress when made with Metallic Twist Florafil.

Finishing

Fold finished piece in half, length-wise. Sew each underarm seam with tapestry needle for approx: 11in/28cm from cast on and cast off edges. You can take it in an inch or so to make it more fitted, or for a looser fit, sew to about 9ins or as needed.
